

David Corle

*Director,
National Multi-Unit Division*

Top 5 Things You Don't Know About Me

- 5 *I love* Nirvana, the Beatles, The White Stripes, The Civil Wars, Weezer, Vivaldi, Queen, The Lumineers...I could go on.
- 4 Shower doors are only part of my personality, despite what *my LinkedIn* profile suggests.
- 3 I used to be a professional photographer and still love practicing the craft.
- 2 I am a *third-generation glazier* with over 20 years of glass experience.
- 1 I roast coffee as a hobby and drink it like *it's my religion*.

"I love that my role at HMI puts me alongside inspiring and creative professionals in the design world. It keeps me close to the built environment and the makers who bring it to life—both in manufacturing and in the field. I'm most energized when I see HMI Glass featured in high-profile, iconic projects across the country."
